Dear Art:

I am pleased that you're going to get the Ray material for me, and the fee for your services and expenses (\$400-\$500) is OK -- with one proviso. I want the right to quote directly and at will from the material Ray wrote in his own hand and sent out of Shelby county prison. And I am assuming that you will let me see the other material you mentioned:

Ray's notes to you.
Your evidence files.
Ray's letters to you.

Thanks for your kind offers of help.

Sincerely,

G. Foyz
